EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. Authorization for this examiner's amendment was given in a telephone interview with Stephen Roe on April 14, 2006.

3. The application has been amended as follows:

Claim 28: Amend the last paragraph such that it reads -- at least one adjustment member for at least one of the first and second axles, each adjustment member usable to adjust a position of a corresponding one of the first and second axles relative to the housing. --

Marked up version of the last paragraph of claim 28:

-- at least one adjustment member for at least one of the first and second axles, each adjustment member usable to adjust a position of a corresponding one of the first and second axles relative to the housing. --

Allowable Subject Matter

4. The following is an examiner's statement of reasons for allowance: The prior art shows a caster wheel assembly comprising a plurality of side plates and a housing between the side plates (Larson). The prior art also show first and second axles along with an elastomeric support member (Welsch et al, Plate). However, the prior art does not each of the above elements further
